Highland Tower Development

[44.10] Read-Use-Project • DEMO Environment

 Quick Access Demo Accounts

Choose a role to instantly explore different permission levels:

The figure displays a 3x3 grid of application screens, each representing a different user role. Each screen has a consistent layout with a header bar, a sidebar menu, and a main content area.

- Admin:** Shows user management with a list of users (e.g., John Doe, Jane Smith) and a 'New user' button.
- Project Manager:** Shows project management with a list of projects (e.g., Project Alpha, Project Beta) and a 'New project' button.
- Superintendent:** Shows site management with a list of sites (e.g., Site Alpha, Site Beta) and a 'New site' button.
- Estimator:** Shows estimation with a list of estimates (e.g., Estimate Alpha, Estimate Beta) and a 'New estimate' button.
- Architect:** Shows architectural plans with a list of plans (e.g., Plan Alpha, Plan Beta) and a 'New plan' button.
- Engineer:** Shows engineering specifications with a list of specifications (e.g., Spec Alpha, Spec Beta) and a 'New specification' button.
- Subcontractor:** Shows subcontractor management with a list of subcontractors (e.g., Subcontractor Alpha, Subcontractor Beta) and a 'New subcontractor' button.
- Owner:** Shows owner management with a list of owners (e.g., Owner Alpha, Owner Beta) and a 'New owner' button.
- Winner:** Shows winner management with a list of winners (e.g., Winner Alpha, Winner Beta) and a 'New winner' button.
